

AMENDED IN SENATE APRIL 6, 2005

SENATE BILL

No. 1073

Introduced by Senator Simitian

February 22, 2005

An act to amend Section 56836.165 of the Education Code, relating to special education.

LEGISLATIVE COUNSEL'S DIGEST

SB 1073, as amended, Simitian. Special education: out-of-home care.

Existing law requires the Superintendent of Public Instruction, commencing with the 2004-05 fiscal year and each fiscal year thereafter, to make certain calculations for, and the State Department of Education to apportion certain amounts to, special education local plan areas, as provided, with respect to children and youth residing in foster family homes, foster family agencies, group homes, skilled nursing facilities, intermediate care facilities, and community care facilities. Existing law requires that calculation to include youth *referred by the State Department of Developmental Services* that are 18 to 21 years of age, residing in a community care facility.

This bill, instead, would require that calculation to include children and youth ~~that are 3 to 21 years of age~~ *who are clients of the State Department of Developmental Services*, residing in a community care facility.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
